

## Internal Progress Meeting, General Assembly Meeting and Scientific Steering Committee Meeting of the SECURE project

Milan, June 15-16, 2009  
Venue: Fondazione Eni Enrico Mattei  
Corso Magenta 63

### Final Agenda

The second year of the SECURE project is the most crucial, as it is the year where most of the scientific work related to WP2, WP4 and WP5.x is carried out. It is therefore important to discuss at mid-year the advancement of these different work-packages in order to insure coherence and integration among the different project components.
