

## AGENDA

# Conference on Energy Security Potential for EU-GCC Cooperation

November 09-10, 2010

Venue: **Diplomat Radisson Blu Hotel\*\*\*\*\*** in Manama, Bahrain

### FIRST DAY – November 09, 2010

#### 09:00- 10:30 Inaugural Sessions

**The SECURE project**, started in 2008, aims at building a comprehensive framework for measuring energy security of supply in the EU. Assessing the risks related to geopolitics, price formation and the economic and technical design of energy markets inside and outside the EU, the project focuses on both qualitative and quantitative analyses, adopting a global as well as a sectoral approach. The tools, the models and the policy recommendations provided by this project will serve policy-makers to formulate energy security policies taking into account the related costs, benefits and risks.
